Criterion-on-Demand licence includes the following:

- Unlimited access to stream over **6,000** titles into your classrooms, from top studios such as Warner Bros., Paramount Pictures, 20th Century Studios and many more.
- **Public Performance Rights (PPR)** for all titles represented by Criterion Pictures (20,000+) allowing you to use films for non-educational purposes such as rained out recesses, after school programs and special events. **You can use already owned DVD/BlueRay's, purchased from local stores, Amazon.ca, or download from Apple iTunes any of our titles that are not in Criterion-on-Demand. You cannot download from Netflix or Amazon Prime, or any other HOME use provider.**
- **Fundraising Rights** – allows you to use feature films to host screenings to raise funds for school outings, projects, and team sports. You keep all the proceeds! **You provide your own DVD/BlueRay**
- **If you have L360** - it allows Integration into your school's Learn360 account. Access Criterion's feature films alongside thousands of curriculum-correlated educational videos all within your Learn360 account.

Here is a link to Criterion Pictures' website where you will find all our titles:

<https://criterionpic.com>

Here is our resources section also where you will find all our titles broken down:
